

# Information for 2005 PWSL Yellow Division Championship Meet

The following information is a summary of what every family should know for Divisionals.

**When:** Saturday, July 30, 2005

**Warm-ups:** 5:40 - 6:00 am -- Westridge  
6:05 - 6:25 am -- Ben Lomond  
6:30 - 6:50 am -- Kingsbrooke  
7:00 am -- Meet Starts

**Where:** Westridge Swim and Racquet Club

**Parking:** Only those with a parking permit will be allowed on the clubhouse parking lot. On-street parking will be available on Quarterhorse Lane, please **do not block drive-ways, towing will be enforced.** Also, **do not park in the pipe stem on Quarterhorse, this is a private road.** Additional parking will be available on Westridge Drive and at Westridge Elementary School (at the end of Westridge Drive make a right onto Knights-bridge) then take the 5-7 minutes walk to the pool. **The drop off area is the circular drive in front of the Westridge Clubhouse.** It will be easiest for parents to drive to the clubhouse area and drop off swimmers and equipment, then park on one of the mentioned areas.

**Westridge families:** You can walk to the pool, park at a friend's house, carpool, or park by the tennis courts, along Westridge Drive, Chambord Lane, Berwick Place, or Brittany Court, and walk to the pool.

**Team Areas:** Westridge Waves team area will be on the main pool deck. Please see attached pool deck map for specific team areas. Some areas on the main pool deck will be roped off. The access to these areas will be limited to officials and swimmers.

**Heat Sheets:** We will have heat sheets for sale at the meet for \$3.00.

**T-Shirts:** We have arranged with a local t-shirt screening company to print all shirts on-site during the meet. The front will have the three teams logos. The back will list all the swimmers alphabetically by team. Price: \$15.00

**Trash:** We will put out plenty of trash cans and trash bags. We graciously ask you to help us out by putting his or her trash away. We must keep trash out of the lake or our community will not support the swim team.

**Pool Deck:** We will have bleachers to accommodate as many spectators as possible. **We ask families not to "camp out" on the bleachers for the day.** Pool deck marshals will be monitoring the bleachers to ensure spectators are not camping out. **See attached pool deck map.**

**There will be a lot of people and a lot of activity going on during the meet. Please listen closely when events are being called so that swimmers get to the clerk of course on time.**

**Please remember we are the hosting team and we need your help to ensure we have a successful, fun, and safe championship meet. We would greatly appreciate your help.**

**Go Waves!**
